no 44-38861- 316 provided

4/4/68 memo, 44-38861-327 , C.L. Hoffman to Rose,, copies other top brass, based on 9:40 p.m. call from Memphis ASACCliff Halter, says what is not official story and may be incorrect but is worth noting anyway and because apparent errors, if with some basis, may be leads.

If ASAC means acting SAC, where was Jensen this fast?
Gives names hospital doctors who know of King's wounds.
Says deputy saw young white male throw package and keep running.
All evidence to be flown to Washington that night for lab examination. Compare with dates on lab papers we have gottem. Plane at about 12:30.
Bullet not yet recovered from corpse, it says.
"Assistant Director Conrad was advised and will arrange standby coverage for Laboratory examination." For lab work delayed up to 2 weeks ?
Two ? suspects picked up by Memphis police.NEver any other suspects? Names not masked.
4/5/68 addendum by REL (Long?) Written before plane left Memphis. Jensen phoned 12:25.
By 5:16 lab had begun to process "this material" fro Memphis.
Throughout the names of publicly known labo personnel are masked. If not to be a nuisance to hide who did what and can be asked?

4/6/68 44-38861-329, A.Rosen to Deloach says LEH for President, A.G, is attached. Not here.
Mark before xeroxing re bullet, is "due to mutilation it cannot be stated that it was actually fired from this one rifle."
Another marginal mark along what was not told Pres., AG.
Under "Action" there is early masking, not visible in xeroxing. Copies also to DAG and Civ. Rts.
